Have Fun - Reduce Your Risk

- RIDE AT YOUR OWN RISK:** Action Sports can be hazardous. Injuries can happen.
- RIDE SAFELY WITHIN YOUR ABILITY:** Many of the routes/lines and trails require advanced mountain bike and freestyle skills, including jumping. Maintain control at all times.
- LOOK BEFORE YOU LEAP:** This area contains both natural and man-made terrain which changes constantly due to weather, use, and maintenance. Do not ride or jump blindly.
- SHOW EACH OTHER RESPECT AND SHARE THE TRAIL:** Respect the land, wildlife, and the other visitors. Watch out for each other and stay clear of landing areas. Please do not ride the trails when muddy.
- BE SMART ABOUT THE CONDITIONS:** Pay attention to the weather, dress appropriately, and carry enough water.
- LOWER YOUR SADDLE FOR MORE FUN:** It is strongly recommended you lower your saddle before descents for improved bike handling.
- SAFETY EQUIPMENT:** This includes appropriate clothing, helmet, leg and elbow pads that fit properly. Serious injury or death can occur even with proper precautions.
